USO (UNITED SERVICE ORGANIZATIONS)

Description of agency/service

Mission: Lift the spirits of America's troops and their families.

History: Supporting America's troops was the first mission of the USO. In 1941, as it became clear that the nation was heading into World War II, several organizations mobilized to support the growing U.S. military: the Salvation Army, Young Men's Christian Association, Young Women's Christian Association, National Catholic Community Services, National Travelers Aid Association and the National Jewish Welfare Board. President Franklin D. Roosevelt created synergy among these agencies by forming the United Service Organizations, with the objective of providing the emotional support the troops needed. Over time, the USO has evolved, developing new programs and services to meet the ever-changing needs of the troops and their families, while holding fast to the original mission. Today, the USO continues to lift the spirits of America's troops and their families, and will continue to be there for them until everyone comes home.

Programs: The USO recognizes the sacrifices the troops and their families make for this country, and it is more important than ever that they are remembered and supported. The USO offers a variety of programs and services to support the morale, welfare, social and entertainment needs of troops and their families, free of charge. Centers are in the U.S., Southwest Asia, the Pacific and Europe along with forward operating bases.

VICKSBURG CHILD AND PARENT EXCHANGE (CAP CENTER)

Description of agency/service

Established in 1985, The Exchange Club of Vicksburg Child Abuse Prevention Center, Inc. (The CAP Center or Center) serves as an advocate for the community's children. The mission is to improve the lives of children by providing supportive services to families through preventive strategies to preserve and improve the quality of family life. The Center provides services to the Warren County community via 7 programs. **Parent Aid Program**, provides in-home visits to teach and model for the parent needing parenting skills, helps the parent increase their coping capacity and transform their unhealthy patterns of behavior toward their children. **Parent Education-Life Skills**- teaches parents about child development, age-appropriate expectations, and non-violent discipline techniques for children. The program offers a family support group that empowers parents experiencing challenges in child rearing to receive emotional support from other parents. **Drug/Violence Prevention**- is a collaboration between the CAP Center and the Vicksburg Warren School District. It aims to reduce the use of illegal substance and alcohol and a decrease in the rampant violent behavior demonstrated by many students in the school. **Teen Pregnancy Prevention**- This program provides the "Real Care" simulated infants to local high schools. These life-like "babies" provide students with hands-on experience in parenting. We also provide the "pregnant belly" simulation for boys and girls. This program offers an abstinence curriculum with the goals of reducing teen pregnancies. **The Power in Youth Mentorship Program**-is a partnership with the Vicksburg Warren School District Project SYNC. Through a one-on-one program for serving K-8 and Group Mentoring for 9-12, over 25 dedicated volunteers meet with children, youth and teens to invest in their futures. CASA training for volunteers; **CAP Co-Parenting and Mediation Services** – Family Violence workshops, supervised visitation and family mediation.

JUNIOR AUXILIARY OF VICKSBURG

P. O. Box 1488

Vicksburg, MS 3913

Junior Auxiliary is a national non-profit organization that encourages members to render charitable services, which are beneficial to the general public, with particular emphasis on children! Junior Auxiliary provides the member with the opportunity to serve and to be a vital part of the community.

Our Vicksburg chapter is dedicated to community improvement by meeting the needs of children, youth, and families. We support the ideals symbolized by the five points of the National Association of Junior Auxiliaries (NAJA) crown: charity, youth, health, community service, and leadership. Helping children and making a difference in their lives is the principle on which Junior Auxiliary is founded.
